24

1 communication for purposes of supporting the pharmacy record with  
2 respect to orders or refills of a legend or narcotic drug.

3 D. The entity conducting the audit shall not audit more than  
4 fifty prescriptions, with specific date of service, per calendar  
5 year. The annual limit to the number of prescription claims audited

19 and the pharmacy's contracting agent within forty-five (45) calendar  
20 days of conducting the audit;

21 2. Allow the pharmacy at least ninety (90) calendar days  
22 following receipt of the preliminary audit findings report in which

24

1 audit; provided, however, a pharmacy may request an extension, not  
2 to exceed an additional forty-five (45) calendar days;

3 3. Deliver a final audit findings report to the pharmacy and  
4 the pharmacy's contracting agent signed by the auditor within ten

13 of the audit findings, including the appeals process as provided for  
14 in Section 356.3 of this title; and

8 indirectly, on amounts recouped.

9 I. Unless superseded by state or federal law, auditors shall  
10 only have access to previous audit reports on a particular pharmacy  
11 conducted by the auditing entity for the same pharmacy benefits  
12 manager, health plan or insurer. An auditing vendor contracting  
13 with multiple pharmacy benefits managers or health insurance plans  
14 shall not use audit reports or other information gained from an  
15 audit on a pharmacy to conduct another audit for a different  
16 pharmacy benefits manager or health insurance plan.

17 ~~J. Sections A through I of this section shall not apply to any~~  
18 ~~audit initiated based on or that involves fraud, willful~~  
19 ~~misrepresentation, or abuse.~~

20 ~~K.~~ If the Attorney General, after notice and opportunity for  
21 hearing, finds that the entity conducting the audit failed to follow  
22 any of the requirements pursuant to the Pharmacy Audit Integrity  
23 Act, the audit shall be considered null and void. Any monies  
24 recouped from a null and void audit shall be returned to the

1 affected pharmacy within fourteen (14) calendar days. Any violation  
2 of this section by a pharmacy benefits manager or auditing entity  
3 shall be deemed a violation of the Pharmacy Audit Integrity Act.

18 update MAC pricing at least every seven (7) calendar days, and  
19 establish a process for providers to readily access the MAC list  
20 specific to that provider;

21 2. In order to place a drug on the MAC list, ensure that the  
22 drug is listed as "A" or "B" rated in the most recent version of the  
23 FDA's Approved Drug Products with Therapeutic Equivalence  
24 Evaluations, also known as the Orange Book, and the drug is

5 4. Provide a reasonable administration appeals procedure to  
6 allow a provider, a provider's representative and a pharmacy service  
7 administrative organization to contest reimbursement amounts within  
8 fourteen (14) calendar days of the final adjusted payment date. The  
9 pharmacy benefits manager shall not prevent the pharmacy or the  
10 pharmacy service administrative organization from filing  
11 reimbursement appeals in an electronic batch format. The pharmacy  
12 benefits manager must respond to a provider, a provider's

19 organization to log into a system to upload individual claim appeals  
20 or to download individual appeal responses. If a price update is  
21 warranted, the pharmacy benefits manager shall make the change in

4 regional wholesalers doing business in this state where the drug is  
5 currently in stock and available for purchase by the dispensing  
6 pharmacy at a price below the PBM's reimbursement price. If the NDC  
7 number provided by the pharmacy benefits manager is not available  
8 below the acquisition cost obtained from the pharmaceutical  
9 wholesaler from whom the dispensing pharmacy purchases the majority  
10 of the prescription drugs that are dispensed, the pharmacy benefits  
11 manager shall immediately adjust the reimbursement amount, permit  
12 the dispensing pharmacy to reverse and rebill the claim in question,  
13 and make the reimbursement amount adjustment retroactive and  
14 effective in effect for all contracted providers for future claims  
15 billed.

16        B. The reimbursement appeal requirements in this section shall  
17 apply to all drugs, medical products, or devices reimbursed

4 insurer of a health benefit plan may use to establish reimbursement  
5 rates to a pharmacist or pharmacy for pharmacist services.

6       C. The pharmacy benefits manager shall not place a drug on a  
7 MAC list, unless there are at least two therapeutically equivalent,  
8 multiple-source drugs, generally available for purchase by

11 Database, pharmacy benefits managers shall reimburse claims to  
12 pharmacies at no less than the wholesale acquisition cost for the  
13 specific NDC number being dispensed.

14       E. The pharmacy benefits manager shall not require  
15 accreditation or licensing of providers, or any entity licensed or  
16 regulated by the State Board of Pharmacy, other than by the State  
17 Board of Pharmacy or federal government entity as a condition for  
18 participation as a network provider.

19       F. A pharmacy or pharmacist may decline to provide the  
20 pharmacist clinical or dispensing services to a patient or pharmacy  
21 benefits manager if the pharmacy or pharmacist is to be paid less  
22 than the pharmacy's cost for providing the pharmacist clinical or  
23 dispensing services.

1 G. The pharmacy benefits manager shall provide a dedicated  
2 telephone number, email address and names of the personnel with  
3 decision-making authority regarding MAC appeals and pricing.

15 dispensed is no less than one hundred six percent (106%) of the  
16 National Average Drug Acquisition Cost (NADAC) plus a professional  
17 fee of Fifteen Dollars (\$15.00). The NADAC price shall be the price  
18 published in effect for the date the drug claim was billed by the  
19 pharmacy. If a particular drug does not have a published NADAC  
20 price, the reimbursement shall be one hundred ten percent (110%) of  
21 the wholesale acquisition cost (WAC) plus a professional fee of  
22 Fifteen Dollars (\$15.00) for generic drugs and one hundred (100%)  
23 percent of the WAC plus a professional fee of Fifteen Dollars  
24 (\$15.00) for brand-name drugs. The professional fee shall

1 automatically increase on January 1 of each year at a percentage  
2 equal to the inflation rate measured by the Consumer Price Index for

4 J. 1. Effective rate contracting is hereby prohibited in all  
5 agreements between pharmacies or contracting agents acting on behalf  
6 of a pharmacy and a PBM or third-party payers. No PBM or third-  
7 party payer shall enter into any contract that establishes payment  
8 for services or medications based on an effective rate of  
9 reimbursement.

10 2. Any PBM or third-party payer found to be in violation of  
11 this section shall be subject to penalties, including, but not  
12 limited to, fines, revocation of licensure, or other disciplinary  
13 actions.

14 K. The provisions of this section shall not be waived, voided,  
15 or nullified by contract.

16 SECTION 4. This act shall become effective November 1, 2025.
