21 conduct testing, analysis, or validation of de-identification, or  
22 related statistical techniques, if the contract bans any other use  
23 or disclosure of the re-identified information and requires the

1 return or destruction of the information that was re-identified upon  
2 completion of the contract; and

2 stricter restrictions and conditions.

3       E. For purposes of this section, "re-identify" means the  
4 process of reversal of de-identification techniques, including, but

17 in the Oklahoma Statutes as Section 901.6 of Title 17, unless there  
18 is created a duplication in numbering, reads as follows:

19 This act does not:

A. This act shall be liberally construed to effect its purposes and to harmonize, to the extent possible, with other laws of this state relating to the privacy or protection of personal information.

1       B. To the extent of a conflict between a provision of this act  
2 and a provision of federal law, including a regulation or an  
3 interpretation of federal law, federal law controls and conflicting  
4 requirements or other provisions of this act do not apply. Further,  
5 should the federal government pass comprehensive data privacy  
6 regulations that conflict with the provisions herein, federal law  
7 shall prevail.

8       C. To the extent of a conflict between a provision of this act  
9 and another statute of this state with respect to the privacy or  
10 protection of consumers' personal information, the provision of law  
11 that affords the greatest privacy or protection to consumers  
12 prevails.

13           SECTION 8.        NEW LAW        A new section of law to be codified  
14 in the Oklahoma Statutes as Section 901.8 of Title 17, unless there  
15 is created a duplication in numbering, reads as follows:

16           This act preempts and supersedes any ordinance, order or rule  
17 adopted by a political subdivision of this state relating to the  
18 collection or sale by a business of a consumer's personal  
19 information.

20           SECTION 9.        NEW LAW        A new section of law to be codified

7 must:

- 8       1. Be compatible with the business purpose for which the  
9 personal information was collected;
- 10      2. Be subsequently pseudonymized and de-identified, or de-  
11 identified and in the aggregate, such that the information cannot  
12 reasonably identify, relate to, describe, be capable of being  
13 associated with, or be linked, directly or indirectly, to a  
14 particular consumer;
- 15      3. Be made subject to technical safeguards that prohibit re-  
16 identification of the consumer to whom the information may pertain;
- 17      4. Be subject to business processes that specifically prohibit  
18 re-identification of the information;
- 19      5. Be made subject to business processes to prevent inadvertent  
20 release of de-identified information;
- 21      6. Be protected from any re-identification attempts;
- 22      7. Be used solely for research purposes that are compatible  
23 with the context in which the personal information was collected;
- 24      8. Not be used for any commercial purpose; and

1       9. Be subjected by the business conducting the research to  
2 additional security controls that limit access to the research data  
3 to only those individuals in a business as are necessary to carry  
4 out the research purpose.

5       SECTION 10.       NEW LAW       A new section of law to be codified  
6 in the Oklahoma Statutes as Section 901.10 of Title 17, unless there  
7 is created a duplication in numbering, reads as follows:

8       A. A consumer is entitled to request that a business that  
9 collects the consumer's personal information disclose to the  
10 consumer the categories and specific items of personal information  
11 the business has collected.

12       B. To receive the disclosure of information under subsection A  
13 of this section, a consumer must submit to the business a verifiable  
14 consumer request using a method designated by the business under  
15 Section 18 of this act.

16       C. On receipt of a verifiable consumer request under this  
17 section, a business shall disclose to the consumer in the time and  
18 manner provided by Section 20 of this act:

19           1. Each enumerated category and item within each category of  
20 personal information under paragraph 14 of Section 2 of this act  
21 that the business collected about the consumer during the twelve

23           2. Each category of sources from which the information was

1       3. The business or commercial purpose for collecting or selling  
2 the personal information; and

3       4. Each category of third parties with whom the business shares  
4 the personal information.

5       D. This section does not require a business to:

6       1. Retain a consumer's personal information that was collected  
7 for a one-time transaction if the information is not sold or  
8 retained in the ordinary course of business; or

9       2. Re-identify or otherwise link any data that, in the ordinary  
10 course of business, is not maintained in a manner that would be  
11 considered personal information.

12      SECTION 11.     NEW LAW       A new section of law to be codified  
13 in the Oklahoma Statutes as Section 901.11 of Title 17, unless there  
14 is created a duplication in numbering, reads as follows:

15      A. A consumer is entitled to request that a business that  
16 collects the consumer's personal information delete any personal  
17 information the business has collected from the consumer by  
18 submitting a verifiable consumer request using a method designated  
19 by the business under Section 18 of this act.

20      B. Except as provided by subsection C of this section, on  
21 receipt of a verifiable consumer request under this section, a  
22 business shall delete from the business's records any personal  
23 information collected from the consumer and direct a service  
24 provider of the business to delete the information from the

1 provider's records in the time provided for in Section 20 of this  
2 act.

3       C. A business or service provider of the business is not  
4 required to comply with a verifiable consumer request received under  
5 this section if the business or service provider needs to retain the  
6 consumer's personal information to:

7           1. Complete the transaction for which the information was

11 and consumer;

12           3. Perform under a contract between the business and the  
13 consumer;

14           4. Detect a security incident; protect against malicious,  
15 deceptive, fraudulent or illegal activity; or prosecute those  
16 responsible for any illegal activity described by this paragraph;

17           5. Identify and repair or remove errors from computer hardware  
18 or software that impair its intended functionality;

19           6. Exercise free speech or ensure the right of another consumer  
20 to exercise the right of free speech or another right afforded by  
21 law;

22           7. Comply with a court order or subpoena or other lawful  
23 process; or

1       8. Engage in public or peer-reviewed scientific, historical or  
2 statistical research that is in the public interest and that adheres  
3 to all other applicable ethics and privacy laws, provided that:

- 4           a. the business's deletion of the information is likely  
5                   to render impossible or seriously impair the  
6                   achievement of that research, and  
7           b. the consumer has previously provided to the business  
8                   informed consent to retain the information for such  
9                   use.

10          D. Where a business, service provider or third party has made a  
11 consumer's personal information public, said business, service  
12 provider or third party shall:

13           1. Take all reasonable steps, including technical measures, to  
14 erase the personal information that the business, service provider  
15 or third party made public, taking into account available technology  
16 and the cost of implementation; and

17           2. Advise any other business, service provider or third party  
18 with whom a contract regarding the consumer exists that the consumer  
19 has requested the erasure of any links to, copies of or replication  
20 of that personal information.

21          SECTION 12.      NEW LAW      A new section of law to be codified  
22 in the Oklahoma Statutes as Section 901.12 of Title 17, unless there  
23 is created a duplication in numbering, reads as follows:  
24  
- -

1       A. A consumer is entitled to request that a business that  
2 sells, or discloses for a business purpose, the consumer's personal  
3 information disclose to the consumer:

4           1. The categories of personal information the business  
5 collected about the consumer;

6           2. The categories of personal information about the consumer  
7 the business sold, or disclosed for a business purpose; and

8           3. The categories of third parties to whom the personal  
9 information was sold or disclosed.

10          B. To receive the disclosure of information under subsection A  
11 of this section, a consumer must submit to the business a verifiable  
12 consumer request using a method designated by the business under  
13 Section 18 of this act.

14          C. On receipt of a verifiable consumer request under this  
15 section, a business shall disclose to the consumer in the time and  
16 manner provided by Section 20 of this act:

17           1. Each enumerated category of personal information under  
18 paragraph 14 of Section 2 of this act that the business collected  
19 about the consumer during the twelve (12) months preceding the date  
20 of the request;

21           2. The categories of third parties to whom the business sold  
22 the consumer's personal information during the twelve (12) months  
23 preceding the date of the request by reference to each enumerated

1 category of information under paragraph 14 of Section 2 of this act  
2 sold to each third party; and

3       3. The categories of third parties to whom the business  
4 disclosed for a business purpose the consumer's personal information  
5 during the twelve (12) months preceding the date of the request by  
6 reference to each enumerated category of information under paragraph  
7 14 of Section 2 of this act disclosed to each third party.

8       D. A business shall provide the information described by  
9 paragraphs 2 and 3 of subsection C of this section in two separate  
10 lists.

11       E. A business that did not sell, or disclose for a business  
12 purpose, the consumer's personal information during the twelve (12)  
13 months preceding the date of receiving the consumer's verifiable  
14 consumer request under this section shall disclose that fact to the  
15 consumer.

16       SECTION 13.      NEW LAW      A new section of law to be codified  
17 in the Oklahoma Statutes as Section 901.13 of Title 17, unless there  
18 is created a duplication in numbering, reads as follows:

19       A. A consumer is entitled at any time to opt out of the sale of  
20 the consumer's personal information by a business to third parties  
21 by directing the business not to sell the information. A consumer  
22 may authorize another person solely to opt out of the sale of the  
23 consumer's personal information on the consumer's behalf. A

1 business shall comply with a direction not to sell that is received  
2 under this subsection.

3       B. To exercise the right to opt out specified in subsection A  
4 of this section, a consumer shall submit to the business a  
5 verifiable consumer request using a method designated by the  
6 business under Section 18 of this act.

7       C. A business that sells consumers' personal information to a  
8 third party shall provide on the business's Internet website:

9           1. Notice to consumers that:

- 10              a. the information may be sold,
- 11              b. identifies the categories of persons to whom the
- 12                 information will or could be sold, and
- 13              c. consumers have the right to opt in to the sale via
- 14                 consent; and

15       2. A clear and conspicuous link that enables a consumer, or  
16 person authorized by the consumer, to consent to the sale of the  
17 consumer's personal information.

18       D. A business may not sell to a third party the personal  
19 information of a consumer who does not consent to the sale of that  
20 information after the effective date of this act or after a consumer  
21 submits a verifiable request to opt out of any future sale.

22       E. A business may use any personal information collected from  
23 the consumer in connection with the consumer's opting out under this  
24 section solely to comply with this section.  
--

1       F. A third party to whom a business has sold the personal  
2 information of a consumer may not sell the information unless the  
3 consumer receives explicit notice of the potential sale and is  
4 provided the opportunity to, and in fact does, consent to the sale  
5 as provided by this section.

6       G. A business may not require a consumer to create an account  
7 with the business to opt in to the sale of the consumer's personal  
8 information.

9       H. A business or service provider shall implement and maintain  
10 reasonable security procedures and practices, including  
11 administrative, physical and technical safeguards appropriate to the  
12 nature of the information and the purposes for which the personal  
13 information will be used, to protect consumers' personal information  
14 from unauthorized use, disclosure, access, destruction or  
15 modification, irrespective of whether a customer has consented to  
16 opt in or out of a sale of data.

17       SECTION 14.       NEW LAW       A new section of law to be codified  
18 in the Oklahoma Statutes as Section 901.14 of Title 17, unless there  
19 is created a duplication in numbering, reads as follows:

20       A. The Legislature of the State of Oklahoma finds that  
21 individuals within Oklahoma have a right to prohibit retention, use  
22 or disclosure of their own personal data.

23       B. The Legislature of the State of Oklahoma further finds that  
24 individuals within Oklahoma have previously been exploited for

1 monetary gain and manipulation by private ventures in utilization of  
2 private data.

3       C. The Legislature of the State of Oklahoma further finds that  
4 the protection of individuals within Oklahoma and their data is a  
5 core governmental function in order to protect the health, safety  
6 and welfare of individuals within Oklahoma.

7       D. The Legislature of the State of Oklahoma further finds that  
8 the terms and conditions set forth in this act are the least  
9 restrictive alternative necessary to protect individuals within  
10 Oklahoma and their rights and that the use of a strictly "opt-out"  
11 method for data privacy is ineffectual and poses an immediate risk  
12 to the health, safety and welfare of individuals within Oklahoma.

13       SECTION 15.       NEW LAW       A new section of law to be codified  
14 in the Oklahoma Statutes as Section 901.15 of Title 17, unless there  
15 is created a duplication in numbering, reads as follows:

16       A. A provision of a contract or other agreement that purports  
17 to waive or limit a right, remedy or means of enforcement under this  
18 act is contrary to public policy and is void.

19       B. This section does not prevent a consumer from:

20           1. Declining to request information from a business;  
21           2. Declining to consent to a business's sale of the consumer's  
22 personal information; or

23           3. Authorizing a business to sell the consumer's personal  
24 information after previously opting out.  
--

1 SECTION 16. NEW LAW A new section of law to be codified  
2 in the Oklahoma Statutes as Section 901.16 of Title 17, unless there  
3 is created a duplication in numbering, reads as follows:

4       A. After the effective date of this act, a business shall not  
5 collect a consumer's personal information directly from the consumer  
6 prior to notifying the consumer of each category of personal  
7 information to be collected and for what purposes information will  
8 be used, as well as obtaining the consumer's consent to opt in to  
9 collection, which may be provided electronically by the consumer, to  
10 collect a consumer's personal information.

11      B. A business may not collect an additional category of  
12 personal information directly from the consumer or use personal  
13 information collected for an additional purpose unless the business  
14 provides notice to the consumer of the additional category or  
15 purpose in accordance with subsection A of this section.

16      C. If a third party that assumes control of all or part of a  
17 business as described by subparagraph c of paragraph 2 of subsection  
18 C of Section 3 of this act materially alters the practices of the  
19 business in how personal information is used or shared, and the  
20 practices are materially inconsistent with a notice provided to a  
21 consumer under subsection A or B of this section, the third party  
22 must notify the consumer of the third party's new or changed  
23 practices in a conspicuous manner that allows the consumer to easily

1 exercise a right provided under this act before the third-party  
2 collector uses or shares the personal information.

3       D. Subsection C of this section does not authorize a business  
4 to make a material, retroactive change or other change to a  
5 business's privacy policy in a manner that would be a deceptive  
6 trade practice actionable under Oklahoma law.

7       SECTION 17.       NEW LAW       A new section of law to be codified  
8 in the Oklahoma Statutes as Section 901.17 of Title 17, unless there  
9 is created a duplication in numbering, reads as follows:

10      A. A business that collects, sells or for a business purpose  
11 discloses a consumer's personal information shall disclose the  
12 following information in the business's online privacy policy or  
13 other notice of the business's policies:

14       1. A description of a consumer's rights under Sections 10, 11,
