23       5. The Deputy Treasurer for Debt Management shall have the

1    applications for state ceiling allocation that appear to be  
2    incomplete or premature based upon information submitted or that  
3    fail to show demand for funds pursuant to subsections F and G of  
4    this section. In the event a confirmation or application is denied,  
5    the Deputy Treasurer for Debt Management, within five (5) business  
6    days following such denial, shall send written notice to the

18 which the allocation is requested requires "official action" under  
19 applicable Treasury Regulations and the Internal Revenue Code; and

20                 2. A final resolution of the beneficiary of the issuer  
21 evidencing its approval of the issuance of the issuer's obligations,  
22 if the issuer is a municipal or county public trust, or a  
23 certificate signed by the Governor of the state evidencing his  
24 approval of the issuance of the issuer's obligations, to the extent

22           5. Where applicable, the intention to exchange single-family  
23 mortgage bond authority for mortgage credit certificates.

1       F. 1. Applications for single-family mortgage bonds or  
2 mortgage credit certificate programs shall also include the  
3 submission of information demonstrating a reasonable expectation to  
4 use an allocation of the state ceiling for its intended purpose.  
5 This information shall include historical usage of mortgage revenue  
6 bond proceeds or mortgage credit certificates in the geographic area  
7 subject to an application over the previous twenty-four-month period  
8 and the impact of known or possible competing programs that would  
9 act to reduce demand. This information may also include demand  
10 surveys. Provided, in cases where historical usage cannot be  
11 documented, demand surveys shall be included with an application.

12       2. Applications for qualified student loan bonds shall also  
13 include the submission of information showing a reasonable  
14 expectation to use the state ceiling for its intended purpose. This  
15 information shall include historical lending activity over the

20 guaranteed or subsidized student loan programs. This information  
21 may also include demand surveys. Provided, in cases where  
22 historical usage cannot be documented, demand surveys shall be  
23 included with an application.

1       3. Applications shall also include evidence of a structure to  
2 deliver the financing derived from single-family mortgage bond  
3 proceeds or mortgage credit certificates or from qualified student  
4 loan bond proceeds to ultimate users, particularly the extent of  
5 lender participation in the case of mortgage revenue bonds or  
6 mortgage credit certificate programs.

7           G. 1. Upon receipt of the completed application for state  
8 ceiling allocation, copies of the official action and final  
9 resolutions or certificates as required by subsection D of this  
10 section and the information required by subsections E and F of this  
11 section and assuming availability of the sum requested and  
12 compliance with the Oklahoma Private Activity Bond Allocation Act,  
13 the Deputy Treasurer for Debt Management shall send, within five (5)  
14 business days of the receipt thereof, a confirmation of the  
15 allocation of the state ceiling for the subject project or purpose  
16 to the person designated in the application for state ceiling  
17 allocation. Provided, the Deputy Treasurer for Debt Management may  
18 reject an application or deny a confirmation pursuant to the  
19 provisions of this subsection.

20           2. The Deputy Treasurer for Debt Management may reject any  
21 application which is incomplete or filed with insufficient  
22 information. The Deputy Treasurer for Debt Management may reject  
23 any application where, in the Deputy Treasurer for Debt Management  
24 judgment, a reasonable likelihood has not been shown that single-

1 family mortgage and student loan bond proceeds or mortgage credit  
2 certificates will be used for their intended public purposes. In  
3 the event an application or confirmation is denied, within five (5)  
4 business days following such denial, the Deputy Treasurer for Debt  
5 Management shall send the applicant written notice of the denial of  
6 an application or confirmation together with the reason or reasons  
7 therefor. In the case of disapprovals of applications or  
8 confirmations, an applicant may appeal the disapproval by submitting  
9 a new application to the Council of Bond Oversight, along with an  
10 explanation addressing the reasons for disapproval cited in the  
11 Deputy Treasurer for Debt Management letter. The Council of Bond  
12 Oversight, through affirmative action of the Council, may accept an  
13 application rejected by the Deputy Treasurer for Debt Management, or  
14 order the Deputy Treasurer for Debt Management to issue a  
15 confirmation of allocation, subject to provisions of the Oklahoma  
16 Private Activity Bond Allocation Act. Applicants may submit only  
17 one new application based on an appeal of any specific application  
18 previously submitted.

19       3. Only complete applications, as determined by the Deputy  
20 Treasurer for Debt Management, shall be used to establish the  
21 chronological order of applications. In the case of a new  
22 application submitted based on an appeal, chronological order shall  
23 be established at the time the new application is submitted.

1       H. An original confirmation shall cease to be effective to  
2 assure allocation of any portion of the state ceiling unless the  
3 bonds, notes, other evidences of indebtedness, or the appropriate  
4 election filed with the Internal Revenue Service exchanging mortgage  
5 bond authority for mortgage credit certificate authority have been  
6 issued or filed within one hundred twenty (120) days after the date  
7 of such confirmation. No extensions shall be granted. Such  
8 issuance shall be evidenced by the mailing, transmittal or delivery  
9 of a final certification to the Deputy Treasurer for Debt Management  
10 within the time specified by this subsection. Receipt by an issuer  
11 of a confirmation as contemplated by this section shall entitle the  
12 issuer to rely conclusively upon the accuracy of the Deputy  
13 Treasurer for Debt Management's mathematical calculation and the  
14 allocation for purposes of closing.

15       I. The confirmation given in advance of bond issuance or  
16 mortgage credit certificate election will assure allocation for only  
17 the amount of such bonds or mortgage credit certificate authority as  
18 is therein set forth, unless a supplementary application for state  
19 ceiling allocation for an increase in amount is filed with and a  
20 supplementary confirmation is issued by the Deputy Treasurer for  
21 Debt Management for such requested allocation prior to such bond  
22 issuance or such election, pursuant to the Oklahoma Private Activity  
23 Bond Allocation Act. The supplementary confirmation shall be  
24 effective for the same period as the prior confirmation which it

1   supplements. Provided, however, no supplementary confirmation shall  
2   be effective to preempt any intervening confirmation as to  
3   allocation of a portion of the state ceiling.

4           J. Notwithstanding the provisions of this section, all  
5   confirmation dates for an issue of private activity bonds or  
6   mortgage credit certificate programs expire on December 20 1 of each  
7   calendar year. Final certification of issuance shall be delivered  
8   to the Deputy Treasurer for Debt Management by 9:00 a.m. on December  
9   20 1 of each calendar year.

10           K. On or after 9:00 a.m. on December 20 1 of each calendar  
11   year, issuing authorities may apply to the Deputy Treasurer for Debt  
12   Management to carry forward a portion of the state ceiling for such  
13   calendar year allocated to any qualified carryforward project, as  
14   said term is used in Section 103(n)(10) and 146(f) of the Internal  
15   Revenue Code and which shall be evidenced by the issuance of  
16   confirmations for all carryforward projects within the limitations  
17   of the state ceiling. Provided, issuers or projects with more than  
18   Twenty Million Dollars (\$20,000,000.00) of carryforward outstanding  
19   as of the date of the application for carryforward shall only be  
20   eligible for carryforward allocations to the extent other issuers  
21   with less than Twenty Million Dollars (\$20,000,000.00) of  
22   outstanding carryforward authority do not fully commit the state  
23   ceiling. Allocations on carryforward projects shall be processed on  
24   the basis of the chronological receipt of applications, subject to

1   paragraph 3 of subsection C of this section. No portion of the  
2   state ceiling carried forward for any given year may be carried  
3   forward for a period in excess of three (3) calendar years following  
4   the calendar year in which the carryforward arose, except as  
5   otherwise permitted under federal law.

6       L. The Deputy Treasurer for Debt Management shall maintain  
7   continuous and cumulative records which shall include a list and  
8   cumulative dollar total of the private activity bonds for which:

9           1. Private activity bonds have been issued or state ceiling  
10   exchanged for mortgage credit certificate authority and final  
11   certifications have been received by the Deputy Treasurer for Debt  
12   Management;

13           2. Confirmations of carryforward have been issued; and

14           3. Confirmations in effect and outstanding for which no private  
15   activity bonds or mortgage credit certificate elections have been  
16   issued or filed.

17   The Deputy Treasurer for Debt Management shall keep continuous and  
18   cumulative records and totals for each of the categories specified  
19   in paragraphs 1, 2 and 3 of this subsection as well as the aggregate  
20   total of all categories. The Deputy Treasurer for Debt Management  
21   shall not give further confirmations at such time as the aggregate  
22   amount of bonds, other indebtedness, carryforward or mortgage credit  
23   certificate elections specified by paragraphs 1, 2 and 3 of this  
24   subsection equals the state ceiling authorized for the applicable

1 year. The Deputy Treasurer for Debt Management shall not award a  
2 confirmation if such award would cause indebtedness, carryforward or  
3 elections as specified by paragraphs 1, 2 and 3 of this subsection  
4 to exceed the state ceiling. Confirmation records shall be compiled  
5 and furnished to any local issuer and state issuer upon ~~written~~  
6 request and payment of a fee of Fifteen Dollars (\$15.00) which shall  
7 be apportioned to the General Revenue Fund. Upon issuance of a  
8 confirmation, the amounts of the proposed bond issue, mortgage  
9 credit certificate election and carryforward confirmation shall be  
10 included in the continuing, mathematical calculation, until the same  
11 shall have been terminated in accordance with this section.

12 M. The person signing any confirmation for any allocations  
13 granted pursuant to the Oklahoma Private Activity Bond Allocation  
14 Act shall certify under penalty of perjury that such allocation was  
15 not made in consideration of any bribe, gift, gratuity or direct or  
16 indirect contribution to any political campaign.

17 N. A state or local issuer, who intentionally overissues  
18 mortgage credit certificates or bonds, shall be prohibited from  
19 making application for an allocation of the state ceiling for any  
20 purpose for a period of three (3) years following discovery of such  
21 over issuance.

22 SECTION 5. This act shall become effective November 1, 2025.
