7 An Act relating to medical marijuana; amending 63  
8 O.S. 2021, Section 427.13, as last amended by Section  
9 25, Chapter 182, O.S.L. 2024 (63 O.S. Supp. 2024,  
10 Section 427.13), which relates to medical marijuana  
11 inventory tracking system; requiring the Oklahoma  
12 Medical Marijuana Authority to choose certain vendor;  
13 requiring certain features for certain tracking  
14 system; and providing an effective date.

15 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

16 SECTION 1. AMENDATORY 63 O.S. 2021, Section 427.13, as  
17 last amended by Section 25, Chapter 182, O.S.L. 2024 (63 O.S. Supp.  
18 2024, Section 427.13), is amended to read as follows:

19 Section 427.13. A. All medical marijuana and medical marijuana  
20 products shall be purchased solely from a state-licensed medical  
marijuana business, and shall not be purchased from any out-of-state  
providers.

B. 1. The Oklahoma Medical Marijuana Authority shall have  
oversight and auditing responsibilities to ensure that all marijuana  
being grown in this state is accounted for and shall implement an  
inventory tracking system. Pursuant to these duties, the Authority

1 shall require that each medical marijuana business, medical  
2 marijuana research facility, medical marijuana education facility  
3 and medical marijuana waste disposal facility keep records for every  
4 transaction with another medical marijuana business, patient or  
5 caregiver. Inventory shall be tracked and updated after each  
6 individual sale and reported to the Authority.

7       2. The inventory tracking system licensees use shall allow for  
8 integration of other seed-to-sale systems and, at a minimum, shall  
9 include the following:

- 10           a. notification of when marijuana seeds and clones are  
11                   planted,
- 12           b. notification of when marijuana plants are harvested  
13                   and destroyed,
- 14           c. notification of when marijuana is transported, sold,  
15                   stolen, diverted or lost,
- 16           d. a complete inventory of all marijuana, seeds, plant  
17                   tissue, clones, plants, usable marijuana or trim,  
18                   leaves and other plant matter, batches of extract, and  
19                   marijuana concentrates,
- 20           e. all samples sent to a testing laboratory, an unused  
21                   portion of a sample returned to a licensee, all  
22                   samples utilized by licensee for purposes of  
23                   negotiating a sale, and
- 24           f. all samples used for quality testing by a licensee.

1       3. Each medical marijuana business, medical marijuana research  
2 facility, medical marijuana education facility and medical marijuana  
3 waste disposal facility shall develop written standard operating  
4 procedures outlining the manner in which it operates as prescribed  
5 by the Authority and shall use a seed-to-sale tracking system or  
6 integrate its own seed-to-sale tracking system with the seed-to-sale  
7 tracking system established by the Authority in accordance with the  
8 limitations set forth herein.

9       4. These records shall include, but not be limited to, the  
10 following:

- 11           a. the name and license number of the medical marijuana  
12              business that cultivated, manufactured or sold the  
13              medical marijuana or medical marijuana product,
- 14           b. the address and phone number of the medical marijuana  
15              business that cultivated, manufactured or sold the  
16              medical marijuana or medical marijuana product,
- 17           c. the type of product received during the transaction,
- 18           d. the batch number of the marijuana plant used,
- 19           e. the date of the transaction,
- 20           f. the total spent in dollars,
- 21           g. all point-of-sale records,
- 22           h. marijuana excise tax records, and

1                   i. any additional information as may be reasonably  
2                   required by the Executive Director of the Oklahoma  
3                   Medical Marijuana Authority.

4       5. All inventory tracking records retained by a medical  
5       marijuana business, medical marijuana research facility, medical  
6       marijuana education facility or medical marijuana waste disposal  
7       facility containing medical marijuana patient or caregiver  
8       information shall comply with all relevant state and federal laws  
9       including, but not limited to, the Health Insurance Portability and  
10      Accountability Act of 1996 (HIPAA) .

11      C. The seed-to-sale inventory tracking system shall include:

12      1. A software infrastructure that provides maximum flexibility  
13     for the exchange of data between the Authority and medical marijuana  
14     business licensees;

15      2. Capabilities that allow the medical marijuana business  
16     licensees to submit data to the Authority directly through an  
17     application program interface (API), data interchange service tool,  
18     or by other means or technology acceptable to the Authority;

19      3. Automated reporting for inventory and point of sale  
20     discrepancies; and

21      4. Technology for payments, sales, and tax collection.

22      SECTION 2. This act shall become effective November 1, 2025.
